PROPERTY BROTHERS

SEASON 7, EP 7180: DARRYL & ALEX

Darryl wanted to make his favorite vacation town his hometown so he enlisted his daughter, Alex, to help him find the perfect place. This father-daughter duo have nearly opposite tastes: Darryl likes a more traditional layout with eclectic touches, while Alex prefers an open-concept with clean, modern details. After seeing about a hundred places, we finally found a funky, Mediterranean-style home that made Darryl feel “all warm and fuzzy inside”.
