BACKYARD BUILDS

France &
Marc

Sports & Social Zone

France & Marc's sports-obsessed sons, Shae and Marley, are fast outgrowing spaces where they can practice activities and France has no inspiring place to work while at home. Brian and Sarah convert their rundown garage into a spot where France can work by day, and the whole family can hang out by night, with a safe lawn for the boys to play on and a sunken fire pit lounge.
