

SEASON 2, EPISODE 2075: OUT OF THE TIME WARP

Derek and Krista bought their house over 10 years ago, as their family grew it became clear they'd need help to make this their forever home. Between the decade worth of memories with their three energetic kids, the amazing community in their neighbourhood and the plenty of space the house has to offer, they can't imagine living anywhere else. But their home is stuck in the 80s, including awkward support posts, dated finishes throughout and inconsistent floor levels, and they're ready for a change. Drew and Jonathan completely transform the living room, family room, kitchen and dining room to breathe new life into Derek and Krista's home and give them the forever home of their dreams.
