

PROPERTY BROTHERS

Forever Home

SEASON 2, EPISODE 2043: HOME RUN RENO

Sarah and Todd bought their suburban Las Vegas home off plan 9 years ago. Since then, they've had two sons, who have grown into major sports enthusiasts and use the house as their personal playing field. The walls are covered in scuff marks from slap shots, the floors are trashed and the front entrance doubles as a batting cage. As the boys grow into teenagers, Sarah and Todd want their house to grow with them. The builder-basic finishes they once loved need updating, the main floor lacks storage and the boys need a hangout space of their own. Drew and Jonathan step up to bat to overhaul the main floor leaving the family with a beautiful and functional house that is less hockey rink and more forever home.
