

# PROPERTY BROTHERS

*Forever Home*

## SEASON 2, EPISODE 2047: A FRESH START

Marcie is an Air Force veteran, cancer survivor and was looking for a fresh start for her and teenage daughters Alyssa and Paige when she bought her home over a year ago. Marcie turned to yoga to heal her body and mind and found a supportive community of women in the area that became her family. Marcie found a renter home and was so attracted to its warm, positive energy that she bought it from the landlord, but it's far from perfect. Marcie runs her health and wellness business out of the front entry which limits privacy across the main floor and reduces entertaining space. The outdated kitchen cabinets are chewed and tattered from the previous renters and her primary bathroom does not have a door and the walls are covered with dated stone. Drew and Jonathan overhaul the living room, kitchen, wellness studio, primary bedroom and bathroom to transform the house into the fresh, balanced, sanctuary of Marcie's dreams.
