Forever Home

SEASON 2, EPISODE 2059: BEACH DREAM HOUSE

Tammy and Dimiter's dream came true when an LA beach house they were patiently eyeing was listed, and after putting in an offer it finally became theirs. The house is a block away from the beach, in their same neighborhood and provides a safe, fun spot for their daughter to grow up. After moving six times, the couple promised their daughter Sophie that this is their forever home, and while the house is full of charm, it needs some love and work to function for the growing family. Drew and Jonathan give the home a modern boho refresh by transforming the living room, dining room, and kitchen so Tammy and Dimiter can keep their promise and live by the beach for years to come.
