Forever Home

SEASON 2, EPISODE 2061: STARTER HOME TO FOREVER HOME

Janet and Kristopher moved into a charming home in Janet's childhood neighbourhood to be closer to their family with the expectation that it would only be a starter home for them. Three years and two boys later they've created cherished memories and want this house to be their forever home, but it needs some work. The main floor needs even floors, open sightlines, more storage and the outdated kitchen desperately needs an update. Drew and Jonathan transform the living room, dining room, playroom and kitchen to give Janet, Kristopher and their kids a safe, beautiful home to make more memories for years to come.
