

PROPERTY BROTHERS

Forever Home

SEASON 2, EPISODE 2065: MAKING IT OURS

Michele and Brian were dating long distance for two years until Brian invited her to live with him in his Spanish-style bungalow in LA. Brian has owned the home for 15 years and is ready to say goodbye to the bachelor-esque décor and combine his and Michele's two design styles to make it a home for both of them. They want to keep the character of the house while adding modern functionality and improving the flow of the main floor's disjointed layout. Drew and Jonathan transform the living room, dining room, kitchen and main bedroom to create a cozy, modern home that Brian and Michele will both feel at home in for years to come.
