

SEASON 2, EPISODE 2069: A STURDY AND SAFE FOREVER HOME

Mark and Karen are emotionally attached to their one-of-a-kind, charming 1940's home despite some quirks. Karen bought the house herself years ago, it's the home they brought their daughter home to, and it's located in their ideal neighbourhood. But the dysfunctional layout, broken appliances, and questions about what's behind the walls led them to ask for the brother's help. Karen and Mark want to make it a beautiful, functional, stress-free home. Drew and Jonathan completely transform the front entry, living room, kitchen, dining room and home office to make the most out of Mark and Karen's house and give them a modern, sturdy and stunning sanctuary.
