

## SEASON 2, EPISODE 2072: VINTAGE MEETS MODERN

Ashley, Red and their three kids love their 1960s family home that's full of charm and beautiful vintage treasures. The house is down the street from where Ashley grew up, their family is close by, and it's in a dream neighbourhood they have no intention of leaving. But with its dated layout, an abundance of antiques and a frustrating kitchen, the house is showing its age, and the couple needs help. Drew and Jonathan elegantly bring traditional and modern elements together to transform the kitchen, entry, living room and dining room to give Ashley and Red a cozy, inviting and beautiful home they'll love for years to come.
