Forever Home

SEASON 2, EPISODE 2068: BUILDING ON THE MEMORIES

Renee's husband Dan purchased their charming one-level 1950s home years ago as a big surprise for her. They had dreams of renovating it together as they raised their daughter Audrey, but those renovation plans were put on hold when Dan passed away. Now that Renee and Audrey have had time to heal, they are ready to update their cramped, outdated home and build on the wonderful memories they've made there as a family. Drew and Jonathan help transform the entry, dining room, living room, kitchen and craft room to give Renee and Audrey a home that will work for them now and forever.
