

\$AVE MY RENO

SEASON 2 EP 9: MARIA & ALEX

Maria and Alex have a bathroom that is stuck in the 80's, with black and white tile, a jacuzzi that doesn't work and a bidet! Maria is a professional makeup artist and needs an environment she can work in and be proud of. Their fridge is full of so many creams they don't have room for food! With a beautiful custom project and smart design choices, Seb and Sab are going to take this bathroom from the past and bring it into the present.
