

\$AVE MY RENO

SEASON 1 ~ BRIAN & LAINIE

Brian and Lainie are a fun-loving couple with 5-year-old twin girls, but mealtime in their galley kitchen is anything but fun. Their narrow galley kitchen is simply too small. Just opening the fridge door creates a roadblock. They're tired of cramped living. They want to open everything up, including the entire main floor. They love entertaining and they figure it's time to go big...or get a new home! But their open concept dreams are being crushed by high quotes. Sebastian and Sabrina repurpose furniture and upcycle materials to give this couple a stunning main floor.
