

\$AVE MY RENO

SEASON 1 ~ JAMIE & MARCUS

Jamie and Marcus have a lot going on. They got engaged, bought a house, and now they want to take on a kitchen reno. Money is tight, but with broken drawers, doors that won't fully open, and a hazardous stove, they're desperate for a new kitchen. With a wedding around the corner, their funds are limited and quotes are coming in too high. But Sebastian and Sabrina know how to spend smart and reimagine design elements to save their reno.
