

MAKING IT HOME

— with Kortney & Kenny —

SEASON 3, EP 10: CALEA & BLAKE

Calea and Blake have had many struggles, but you would never know it. With Blake's Cystic Fibrosis condition, a journey with IVF (twice), and whirlwind house hunt, this couple is determined to look on the positive side. They choose to look towards hope and that each moment together should be a moment worth living. That includes renovating the outdated house they just purchased. This space has Blake's dream garden, where he intends to spend the rest of his days watching his children grow. But the inside is less than appealing. He is keen to have the house become a sanctuary for Calea and has enlisted Kortney and Kenny to help him create a new place for his family to make memories.
