Forever Home

SEASON 7, EPISODE 3087: JASMIN AND NICK

. When Jasmin and Nick found a beautiful century home on a huge property, it immediately reminded Jasmin of the home she grew up in in the midwest, and they knew this was to be their forever home. But like many homes of that era, the layout is chopped up and the main living areas need a huge overhaul. Jonathan and Drew go the extra mile to open sight lines in the kitchen, living and dining areas, so Jasmin, Nick and their 2 daughters can truly enjoy their home for decades to come
