## SEASON 7, EPISODE 3090: JERICKA AND MATTHEW

Matthew loved visiting his grandparents' house for cherished family gatherings as he grew up, so when he and his wife Jericka had the chance to purchase it, they were overjoyed. They love the family memories, and it's more than big enough to grow into, but the layout is choppy and design is outdated.  Jonathan and Drew reimagine the main living areas and add a stunning game room, to give Jericka and Matthew a forever home where they can start a family, and continue family traditions.
